## Maac pact application

App Review MAAC's PACT Program was created based on the successful outcomes of a recent Pilot Project that included multiple program entities within MAAC. The aim of the pilot was to create a successful mix of services and support for children in child welfare through an integrated approach, with the aim of helping the youth achieve stability in a community institution. MAAC literally makes a pact with youth and families to do the best work we can. The programme is designed to work with the youth to improve their success and sustainability in a community environment. Our ultimate goal is to ensure that every youth has a voice in their plan, has strong and consistent advocacy, is closer to achieving their goals and is stable and safe in a community institution. The PACT Program explores ways to fill key ingredients that help youth and family success by focusing primarily on the following: Improving relationships between youth, Families, community providers and DFCS staff partners who reduce accommodation in higher-level placements Effectively shifting youths to permanent living arrangements Increasing sustainable compounds MAAC is committed to strengthened practices to better serve youth and families and improve relationships and relationships with Eligibility Youth may be eligible for TREATY if they were adopted or in DFCS conservation, Ameri An IQ of 70 or higher, has placement at the time of reference, AND meets at least one of the following criteria:: In DFCS custody, and the risk of a placement disruption and/or have multiple posts Experienced within the past twelve months In Psychiatric Residential Treatment Facility (PRTF) Assessment Beds and does not meet medical necessity for continued PRTF Remains about to retire from a PRTF , and in need of placement and/or additional resources placement to support stability In Crisis Stabilization Units (CSUs) that do not qualify for a PRTF and can be safely served in the community in their identified placement in a maximum watchful surveillance program/child caring Setting (MWO/CC) for more than 12 months , or youth who are about to retire from an MWO/CC) that needs placement and/or additional resources to support placement stability Youth who receive adoption Help and need additional resources to maintain permanence.
